 - C. Human Rights Law
 - D. (covered in III. K.)
 - E. Status of Forces Agreements
 - F. Privileges and Immunities
 - G. Codes of Conduct
 - H. Legal Case Studies

- III. Operational Concepts of Peace Support Operations
 - A. Principles for the Conduct of Peace Support Operations
 - B. History of UN and Multinational Peacekeeping
 - C. Role of Military Observers
 - D. Commanding Peace Support Operations: Techniques and Procedures
 - E. Contingency Planning for Peace Support Operations
 - F. Multinational Command and Staff Environment
 - G. Interagency Process
 - H. Negotiation and Mediation Techniques
 - I. Information, Intelligence, and Media Relations
 - J. Command, Control, and Communications of Peace Support Operations
 - K. Operational Lessons
 - 1. Interpositional Deployment
 - 2. Observation and Monitoring
 - 3. Humanitarian Support
 - 4. Disarmament
 - 5. Maritime Operations
 - 6. Air Operations

EIPC CORE CURRICULUM OUTLINE:

7. Force Protection
 8. Use of Force
 9. Rules of Engagement
 10. Coercive Inducement
 - L. Civil-Military Cooperation in Peace Support Operations
 1. International Organizations and Non-Governmental Organizations
 2. Host Country Relations
 3. Role of Civil Police
 4. Humanitarian Operations
 6. Military Support to Civil Authorities
 7. Civil-Military Operations Center
 - M. Life-cycle Patterns of Peace Support Operations
 1. Mission Planning
 2. Mission Execution
 3. Sustaining the Mission
 4. Mission Transition
 5. Mission Termination
 - N. Mission Analysis and Staff Exercise
- IV. Logistics of Peace Support Operations (To be revised)
- A. Principles of Joint/Combined Logistics Planning
 - B. Operational Concepts of Logistics
 1. The Logistics System
 2. Supply
 3. Transportation
 4. Movement Control
 5. Food Services
 6. Medical Services
 7. Postal Operations
 8. Equipment Maintenance, Repair, and Replacement
 9. Personnel Issues
 11. Contractual Services
 12. Rental Property
 13. Humanitarian Aid Support
 14. Engineering
 15. Environmental Assessments
 - C. Multinational Logistics Systems: Organization, Procedures, Budgeting, Planning, and Logistics Operations
 1. UN Logistics
 2. NATO Logistics
 3. Multinational Force and Observers Logistics
 4. Selected Regional Mission Logistics
 - D. Logistical Contingency Planning Exercise
 1. Predeployment
 2. Staging a New Operation

EIPC CORE CURRICULUM OUTLINE:

3. Sustaining the Operation
 4. Transition Planning
 5. Mission Termination Planning and Procedures
- V. Tactics, Techniques, and Procedures of Peace Support Operations
- A. The Peacekeeping Environment
 1. Regional Orientation
 2. Operating in a Multinational Mission Area
 3. Rules of Engagement
 4. Code of Conduct
 - B. Peacekeeping Techniques and Procedures
 1. Negotiating Skills
 2. Dealing with the Media
 3. Mine Awareness
 4. Truce or Cease-fire Supervision Techniques and Procedures
 5. Information Collection
 6. Investigation and Reporting Procedures
 7. Graduated Application of Force
 - C. Driver Training
 - D. English Language Training
 - E. Individual and Collective Tasks
 1. Establishing Lodgments
 2. Relief in Place Procedures
 3. Establishing a Buffer Zone
 4. Monitoring Boundaries
 5. Checkpoint Operations
 6. Convoy Operations
 7. Patrolling
 8. Outpost Operations
 9. Demilitarization of Forces and Geographical Areas
 10. Rapid Reaction and Contingency Operations
 11. Search Operations
 12. Tailing
 - F. Civil-Military Operations
 1. Humanitarian Support
 2. Protecting Human Rights
 3. Intercultural Communication
 4. Maintaining Law and Order
 5. Crowd Control Techniques
 6. Relations with Civil Police
 7. Refugee Handling
 - G. Peace Support Operations Tasks Scenarios Exercise
 - H. Multinational Staff Training Exercise

EIPC CORE CURRICULUM OUTLINE:

- VI. Training Management and Curriculum Development
 - A. Principles of Effective Training Management
 - B. General Guidelines for Peace Support Operations Training
 - 1. Unit Predeployment Training Planning
 - 2. Sustainment Training Planning
 - 3. Post-Operations Training Planning
 - C. Developing SOPs for Peace Support Operations
 - D. Lessons learned Procedures
 - E. Doctrine Development and Evolution
 - F. Peace Support Operations Education and Training Curriculum Development
 - 1. Senior Policy Level Education Programs
 - 2. Command and Staff Education and Training
 - 3. Military Observer Training
 - 4. Junior Leader Training
 - 5. Individual and Unit Training
 - 6. Driver Training
 - 8. English Language Training
 - G. PSO Institutional Research
